STUD SERVICE AGREEMENT

Am Can CHAMPION MARINER RED RUM

Ch Suntory Loveit A Cherrybrook CDX TD JH OA NAJ WC OS SDHF

Ex

Am/Can Ch Mariner Lil Sister By Tempo BIS BISS SDHF

"BAYLEY"

Under the terms of the Agreement, the undersigned party, Jonathan C. and Kathleen E. Chase, DBA Mariner Kennels or an agent appointed by same; and

_____ Owner of the bitch, agree as follows:

That a stud service will be provided to _____ AKC/CKC registration number: _____, by **Am. Can. Champion Mariner Red Rum** at bitch's next season.

That the service will be accomplished on day one, again on day three and if possible on day five of standing heat, the purpose being to have three consecutive breedings 36 hours apart.

That the owner(s) of the bitch will be responsible for transportation of said bitch in good health, free of external and internal parasites, to and from Mariner Kennels or the most convenient airport (usually Portland, ME) and agree(s) to deliver her in sufficient time to adjust to her new surroundings prior to service.

That the owners(s) of the bitch are responsible for any and all necessary veterinary fees related to the bitch's breeding, care and maintenance while in the possession of Mariner Kennels. Further, the owner(s) of the bitch agree to have Mariner Kennels' veterinarian perform progesterone/LH testing, vaginal smear analysis and artificial insemination (if required) as determined necessary by said veterinarian to ensure a higher probability of pregnancy occurring.

That in the case where **Am. Can. Champion Mariner Red Rum** is with a professional handler, the owners(s) of the bitch will be responsible for transportation of said bitch in good health, free of external and internal parasites, to and from the handler's kennel or the most convenient airport, any and all necessary veterinary fees related to the bitch's breeding care and maintenance, any fees imposed by Ryan's handler for supervising and assisting the breeding and to deliver her in sufficient time to adjust to her new surroundings prior to service.

That the owners(s) of the bitch will provide to stud dog owner a copy of current immunization record showing vaccination against Rabies, Distemper, Parvovirus, Adenovirus and Bordetella, and report of vaginal culture and sensitivity completed within 2 days of bitch's season.

That the owners of the stud dog and the bitch will provide to each other before the first breeding for permanent possession, an 8x10 color photograph; a four or five generation pedigree; a copy of

the AKC/CKC registration; a copy of the OFA/OVC/PennHip clearance; a current eye clearance, either report from AVCO Diplomates (board certified veterinary ophthalmologist) or CERF certificate; copy of report from ACVIM Diplomates (board certified veterinary cardiologist) showing dog to be completely free of any symptom of heart disease, specifically Subvalvular Aortic Stenosis and proof of negative brucellosis test current within 30 days.

That the previously agreed stud service fee will be either:

- a. \$750.00, U S funds and/or
- b. Pick puppy (stud dog owner's choice) from resultant litter.

That the stud fee is payable IN FULL prior to service unless other arrangements have been made. Veterinary bills incurred by Mariner Kennels on behalf of bitch owner must be paid prior to providing the owners of the bitch a signed American Kennel Club/Canadian Kennel Club litter application.

That the stud fee includes 7 days boarding at Mariner Kennels. Additional boarding is charged at the rate of \$12.00 per day.

That should a refund of the stud fee be due the owner(s) of the bitch, a \$150.00 administrative fee will be retained by Mariner Kennels to pay such expenses as transportation and stud management protocols directly related to this breeding.

That should no litter result; the owner(s) of the bitch shall have the option of a second mating on the bitch's following season.

That a repeat stud service will be provided if:

- a. No pregnancy occurs, or
- b. There are three or less puppies at four days of age, or

That should no litter result from either of the two services, or should owner(s) of the bitch choose not to return for a second service, this contract is terminated. No refunds will be made.

That should all fees not be paid to Mariner Kennels signed AKC/CKC litter registration papers will not be provided to owner(s) of the bitch.

That the owner(s) of the bitch are responsible for providing to Mariner Kennels the names and addresses of all puppy buyers, designating each puppy by AKC/CKC registered name as either show or pet and notifying Mariner Kennels if any puppy develops Canine Hip Dysplasia, Cataracts, Subvalvular Aortic Stenosis, epilepsy or seizures.

That the owner(s) of the bitch are responsible for ensuring all puppies sold as pet/companion animals are registered with the AKC on LIMITED REGISTRATIONS and are to be neutered before reaching sexual maturity.

IN ACCORDANCE WITH THE AGREED TERMS AND CONDITIONS IDENTIFIED ABOVE, the undersigned do set their names, this _____ day of _____, 20__.

For Mariner Kennels: _____ . Date: _____.

Bitch owner(s): _____ . Date: _____.

_____ was bred on _____.

ADDENDUM TO STUD SERVICE CONTRACT

FRESH-CHILLED/FROZEN SEMEN BREEDING

Am. Can. Ch. MARINER RED RUM

Under the terms of this addendum to the Stud Service Agreement, the undersigned party, Jonathan C & Kathleen E Chase, or an agent appointed by same, and _____ owners of the bitch, agree as follows regarding a fresh-chilled/frozen semen breeding.

- That the collection of the semen will be done by the Mariner Kennels veterinarian and will be accomplished within the timetable for insemination identified by the owner of the bitch.
- That the owner of the bitch will specifically identify the timetable for insemination to Mariner Kennels at 207-549-7426 or via email in sufficient time to coordinate proper semen collection, and to coordinate and arrange for proper transportation services. Normally, Federal Express will be used for transportation.
- That the owner of the bitch will identify the location to include street address (no post office boxes), date and receiving agent where the semen is to be shipped.
- That the owner of the bitch will pay IN ADVANCE for all costs associated with the collection and transportation of all fresh chilled/frozen semen for this breeding. Costs will include veterinary office visit fees; collection and preparation costs; and transportation costs to the bitch owner's identified destination agent.
- That the owner of the bitch will be solely responsible for all arrangements necessary for the receipt and proper use of the semen.
- That the fee for said stud services will be \$750.00 US funds.

In accordance with the agreed terms and conditions identified above, and those not specifically excluded from the basic service agreement, the undersigned do set their names, this _____ day of _____, 20__.
